### 2012 SCHEDULE

**JANUARY 7<sup>TH</sup> - Landscaping & Maintaining Your Garden in The Winter**- If you love gardening then you love San Diego. We are fortunate enough to be able to be outside in our gardens all year long. Lots of people are buried in snow while we are able to do the feeding, planting, and pruning (free pruners to all participants) necessary to have that beautiful garden throughout the year. We will discuss all these things and more.

**FEBRUARY 4<sup>TH</sup> - Landscaping With Succulents and Natives** - Creating a beautiful landscape with succulents and natives without looking like a desert. Yes, it can be done and you'll also use a lot less water.

**MARCH 3<sup>RD</sup> - Ask the Expert -Weeds, Gophers, Bugs, & Fertilizers**

Our resident expert will teach you the best ways to fight the pesky critters in your garden and how to determine the best types of fertilizer to use to promote healthy, vigorous plants. We'll also answer your questions and discuss other gardening topics.

**APRIL 7<sup>TH</sup> - Landscape Design Workshop** Do you have a new yard or one that needs to be rejuvenated? Are you a do-it-yourselfer? Learn about amending your soil, irrigation do's and don'ts, planning, choosing, and planting your landscape correctly

**APRIL 21<sup>ST</sup> Starting a Vegetable/Herb Garden** - What it takes to grow your own vegetables and herbs. Learn the best techniques for growing in containers, or raised beds, or just planting directly into your garden.

**May 5th - Choosing and Caring for Fruit Trees** - How to choose, plant, and grow stone fruit trees. Fruits of topic will be: Apples, Apricots, Figs, Nectarines, Pears, Peaches, Persimmons, Plums, and Pomegranates

**MAY 19<sup>TH</sup> - All About Roses** - Come see and enjoy our huge selection of colorful roses and become a garden rose expert. We would love to see some of your best roses, please bring them in and show them off and share your own secrets of success!

**JUNE 2<sup>ND</sup> - Landscaping With Succulents and Natives** - Creating a beautiful landscape with succulents and natives without looking like a desert. Yes, it can be done and you'll also use a lot less water.

**JULY 7<sup>TH</sup> Ornamental Trees for San Diego**- We will have a special guest speaker to explain the many different types of trees that do well in San Diego.

**AUGUST 4<sup>th</sup> - Citrus & Avocado Varieties & Care** - How about some fruit fresh off the tree? Wow your family and friends with your delicious fruit right from your yard!! You will learn all about your favorite Citrus and Avocado varieties and the best way to care for them. We will also have some fruit ready to taste!

**SEPTEMBER 1<sup>ST</sup> - All About Succulents** - This class will be our best of for the succulents we grow. We will talk about our varieties in detail and also discuss varieties you have planted at your home. Just bring a picture or a sample.

**OCTOBER 6<sup>TH</sup> - Fall Is the Time for Planting** - This is a walking seminar. We will tour the nursery and look at our advertised plants that will be featured in our Annual Million Dollar Fall Sale and how they will fit into your landscape.

**NOVEMBER 3<sup>RD</sup> - Fall & Winter Color**- Come check out the colorful flowers available during the fall and winter months. You will be surprised at all of the choices. We will also look at using grasses and succulents for fall accents as well.

**DECEMBER - It's Christmas time**- No seminar this month but still come out and choose one of thousands of Christmas trees we have available every holiday season. Pick up holiday favorites like Poinsettias, Wreaths and Garland.
