

EVERGREEN NURSERY 2020 SEMINARS

Hands on Talks & Tours with Evergreen's Garden Experts!
Seminars are at 10 am on the first Saturday of every month (except on holidays and the month of December) at all three locations with extra seminars during the Spring.

JANUARY 4th – Planning, Feeding, and Pruning Your Garden in The Winter - If you love gardening then you love San Diego. We are fortunate enough to be able to be outside in our garden all year long. Lots of people are buried in snow while we are able to do the feeding, planting, and pruning necessary to have that beautiful garden throughout the year. We will discuss all these things and more.

FEBRUARY 1st – Waterwise Tropical Gardening – Palms and other tropical plants are so beautiful and have the ability to transform your landscape to your own little paradise without having to use a lot of water, as the word tropical might seem to suggest. Learn how to choose the right plant, how and where to plant it, and how to keep them looking lush and green, with or without a lot of water.

MARCH 7th - Choosing and Caring for Fruit Trees - How to choose, plant, and grow stone fruit trees. Fruits of topic will be: apples, apricots, figs, nectarines, pears, peaches, persimmons, plums, and pomegranates.

APRIL 4th - Starting a Vegetable/Herb Garden - What does it take to grow your own vegetables and herbs? Learn the best techniques for growing in containers, or raised beds, or just planting directly into your garden.

APRIL 18th - Waterwise Landscaping with Succulents and Natives - Create a beautiful landscape with succulents and natives without it looking like a desert. Yes, it can be done, and you'll also use a lot less water.

MAY 2nd – All About Roses - Come see and enjoy our huge selection of colorful roses and become a garden rose expert. We would love to see some of your "best" roses, please bring 'em in and show 'em off and share your own secrets of success!

MAY 16th - Citrus & Avocado Varieties & Care - How about some fruit, fresh off the tree? Wow your family and friends with your delicious fruit right from your yard!! You will learn all about your favorite citrus and avocado varieties and the best way to care for them.

JUNE 6th - Gardening Seminar Just for Kids (6-12 years) - This seminar is ideal for kids who love to garden and love to get dirty. Each student will bring home what that they've planted with veggies and/or herbs. Children must be accompanied by an adult. Gloves optional!

JULY 4th – Happy 4th of July! In observance of the holiday we will not be conducting a seminar this month. Please visit our web site for our Fourth of July hours.

AUGUST 1st - Landscaping Your Shady Areas and How-to Bring Color to Those Darker Spaces – Learn about plants for the shade and how to care for them in your yard. Plus, what types can add some color to those darker areas.

SEPTEMBER 5th - Waterwise Landscaping with Succulents and Natives - Create a beautiful landscape with succulents and natives without it looking like a desert. Yes, it can be done, and you'll also use a lot less water.

OCTOBER 3rd - Four Seasons Gardening - Wouldn't it be wonderful to enjoy your garden throughout the year? Find out how you can create a garden that looks beautiful in all four seasons. Yes, even winter can provide amazing color and contrast in the garden.

NOVEMBER 7th - Citrus & Avocado Varieties & Care - How about some fruit, fresh off the tree? Wow your family and friends with your delicious fruit right from your yard!! You will learn all about your favorite citrus and avocado varieties and the best way to care for them.

DECEMBER - It's Christmas time No seminar this month but still come out and choose one of thousands of Christmas trees we have available every holiday season. Pick up holiday favorites like poinsettias, wreaths and garland.

Each seminar starts at 10am and is approximately 1 hour long. Come to the location nearest you!
Seminars are free and refreshments will be provided.

Any purchases made during the day of the seminar will receive a coupon for an instant discount!
