Holiday Cheer

Looking for some instant holiday cheer? Here at Evergreen Nursery we realize some of your Christmas plans might look a little different this year, but one favorite holiday tradition remains the same – picking out the perfect tree! There's nothing like the scent of a real Christmas tree to put you in a festive holiday mood.

Why is Evergreen Nursery the place to find your Christmas tree? As you may already know, our trees are forest fresh, plantation grown trees that are stored fresh in water as soon as they arrive. We've got a huge selection of all your favorite varieties, whether you love a tall, open tree to show off ornaments, or the perfect triangle tree with needles so thick your cat will have a new hiding place! Come in for the atmosphere, too. Skip the cramped parking lots at big box stores and instead enjoy our large open spaces brimming with holiday plants and greenery. We offer flocking and fireproofing, too! Be sure to check out our [Christmas Page](#) for more information.

And don't forget, plants make great long-lasting gifts! Colorful, cool-weather [Cyclamen](#) can be enjoyed indoors for the holiday and later planted outdoors in a shady spot. As always, we have a great selection of Poinsettias and bright Kalanchoe, too. Succulents like [Portulacaria](#) and winter blooming [Aloes](#) grow well in containers, and [citrus trees](#) come "decorated" with bright fruit! You'll find lots of ideas here for gift-giving and decorating, so come on in, bring the kids and the dog – we'll be waiting for you right here at Evergreen Nursery.
